A WORD OF SOLEMN, CONSCIENTIOUS ADVICE TO THOSE WHO WILL REFLECT.

A class of maladies prevail to a fearful extent in communities, amounting at least 100,000 youth of both sexes annually to an early grave. These diseases are very imperfectly understood. Their external manifestations or symptoms are Nervous Debility, Relaxation and exhaustion; Marasmus or wasting and consumption of the tissues of the whole body; shortness of breathing, or hurried breathing on ascending a hill or a flight of stairs; great paleness of the face; Asthma, Bronchitis and Cough; shaking of the hands and limbs; aversion to society and to business or study; dimness of eye sight; loss of Memory; Dizziness of the head; Neuralgic Pains in various parts of the body; Pains in the Back or Limbs; Lumbago, Dyspepsia or Indigestion; irregularity of the bowels; deranged secretions of the kidneys and other glands of the body, as Leucorrhoea or Fleur Albis, &c. Likewise Epilepsy, Hysteria and Nervous Spasms.

Now, in ninety-nine cases out of every one hundred, all the above named disorders, and a host of others not named, is Consumption of the Lung, and that most insidious and wily form of Consumption, the Spinal Nerve, known as Tabes Dorsales; and Tabes mesenterica, have their seat and origin in diseases of the Pelvic Viscera. Hence the want of success on the part of the old school practice in treating symptoms only.

Dr. Andrew Stone, physician to the Troy Lung and Hygienic Institution, is now engaged in treating this class of modern maladies with the most astonishing success. The treatment adopted by the Institution is new; it is based upon scientific principles, with newly discovered remedies, without minerals or poison. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate descriptions of their case, by letter; and have the medicines sent them by mail or express. Printed interrogatories will be forwarded on application.

Consumption, Catarrh and diseases of the throat, cured as well at the homes of patients as at the Institution, by sending the Cold Medicated Inhalant Balsam Vapors, with inhaler, and simple directions for their use and direct correspondence.

Patients applying for interrogatories or advice, must inclose return stamps, to meet attention.

The attending physician will be found at the Institution, for consultation, from 9 A. M. to 5 P. M., or each day. Sundays, in the forenoon. Address: DR. ANDREW STONE, Physician to the Troy Lung and Hygienic Institute, and Physician for Diseases of the Throat, Throat and Lungs, 45 Fifth street, Troy, New York.

American & Foreign Patents R. H. EDDY, SOLICITOR OF PATENTS,

Late Agent of U. S. Patent Office, Washington, under the Act of 1837.
76 State street, opposite Kilby st., Boston.

AFTER an extensive practice of upwards of twenty years, continuing to secure Patents in the United States—also in Great Britain, France, and other foreign countries. Caveats, Specifications, Assignments, and all Papers or Drawings for Patents, executed on liberal terms and with despatch. Researches made into American or Foreign Works, to determine the validity or utility of Patents or inventions, and legal advice rendered or all matters touching the same. Copies of the claims of any Patent furnished by remitting One Dollar. Assignments recorded at Washington.

The Agency is not only the largest in New England but through it inventors have advantages for securing patents, of ascertaining the patentability of inventions unsurpassed by, if not immeasurably superior to any which can be offered them elsewhere. The testimonials below given prove that none is MORE SUCCESSFUL AT THE PATENT OFFICE than the subscriber; and as SUCCESS IS THE BEST PROOF OF ADVANTAGES AND ABILITY, he would add that he has abundant reason to believe and can prove, that at no other office of the kind are the charges for professional services so moderate. The immense practice of the subscriber during twenty years past, has enabled him to accumulate a vast collection of specifications and official decisions relative to patents. These, besides his extensive library of legal and mechanical works, and full accounts of patents granted in the United States and Europe, render him able, beyond question, to offer superior facilities for obtaining patents.

All necessity of a journey to Washington, to procure a patent, and the usual great delay there, are here saved inventors.

TESTIMONIALS.

"I regard Mr. Eddy as one of the most capable and successful practitioners with whom I have had official intercourse."

CHAS. MASON, Commissioner of Patents.

"I have no hesitation in assuring inventors that they cannot employ a person more competent and trustworthy and more capable of putting their applications in a form to secure for them an early and favorable consideration at the Patent Office."

EDMUND BURKE, Late Commissioner of Patents.

"Mr. R. H. Eddy has made for me THIRTEEN applications, on all but one of which patents have been granted, and that one is now pending. Such unmistakable proof of great talent and ability on his part leads me to recommend all inventors to apply to him to procure their patents, as they may be sure of having the most faithful attention bestowed on their cases, and at very reasonable charges."

JOHN TAGGART.

"During eight months, the subscriber, in course of his large practice, made, on twice rejected applications, SIXTEEN APPEALS, EVERY ONE of which was decided in his favor, by the Commissioner of Patents."

R. H. EDDY.

FAITH GARTNEY'S GIRLHOOD, just received and for sale by G. W. WILDER.

MONTPELIER, June 30, 1863.

\$500 WILL BE FORFEITED BY DR. L. DIX if failing to cure in less time than any other physician, more effectually and permanently, with less strain from occupation or fear of exposure to all either, with safe and pleasant medicines.

SELF-ABUSE AND SOLITARY HABITS,

Their effects and consequences;

SPECIAL AILMENTS AND SITUATIONS,

Incident to Married and Single Ladies;

SECRET AND DELICATE DISORDERS;

Mercurial Affections; Eruptions and all Diseases of the Skin; Ulcers of the Nose, Throat and Body; Pimples on the face; Swellings of the Joints; Nervousness; Constitutional and other Weaknesses in Youth, and the more advanced, of all ages, of

BOTH SEXES, SINGLE OR MARRIED.

DR. L. DIX'S

PRIVATE MEDICAL OFFICE.

21 Endicott Street, Boston, Mass.,

is so arranged that patients never see or hear each other. Recollect, the ONLY entrance to his office is No. 21, having no connection with his residence, consequently no family interruption, so that on no account can any person hesitate applying at this office.

DR. DIX

boldly asserts (and it cannot be contradicted, except by Quacks who will say or do anything, even perjure themselves in support of their claims) that he

IS THE ONLY STAR GRADUATE PHYSICIAN AND

PHYSICIAN IN BOSTON.

SINCE YEARS

engaged in treatment of Special Diseases, a fact so well known to many Citizens, Publishers, Merchants, Hotel Proprietors &c., that he is much recommended, and particularly to

STRANGERS AND TRAVELLERS

to avoid and escape Imposition of Foreign and Native Quacks, more numerous in Boston than other large cities.

DR. L. DIX

proudly refers to Professors and respectable Physicians—many of whom consult him in critical cases, because of his acknowledged skill and reputation, attained through so long experience, practice and observation.

AFFLICTED AND UNFORTUNATE!

be not misled and add to your sufferings in being deceived by the lying boasts, misrepresentations, false promises, and pretensions of

FOREIGN AND NATIVE QUACKS,

who know little of the nature and character of Special Diseases, and less as to their cure. Some exhibit forged Diplomas of Institutions or Colleges, which never existed in any part of the world; others exhibit Diplomas of the Dead, how obtained, unknown; not only assuming and advertising in names of those inserted in the Diplomas, but to further their imposition assume names of other most celebrated Physicians long since dead. Neither be deceived by

QUACK NOSTRUM MAKERS,

through false certificates and references, and recommendations of their medicines by the dead, who cannot expose or contradict them; or who, besides, to further their imposition, copy from Medical Books much that is written of the qualities and effects of different herbs and plants and ascribe all the same to their Pills, Extracts, Specifics, &c., most of which, if not all, contain Mercury, because of the ancient belief of its "curing everything," but now known to "kill more than is cured," and those not killed, constitutionally injured for life.

IGNORANCE OF QUACK DOCTORS AND NOSTRUM MAKERS.

Through the ignorance of the Quack Doctor, knowing no other remedy, he relies upon MERCURY and gives to all his patients in Pills, Drops, &c., so the Nostrum Maker equally ignorant, adds to his so-called Extracts, Specifics, Antidotes, &c., both relying upon its effects in curing a few in a hundred, it is trumpeted in various ways throughout the land; but ALAS! nothing is said of the balance; some of whom die, others grow worse, and are left to linger and suffer for months or years, until relieved or cured, if possible, by competent physicians.

BUT ALL QUACKS ARE NOT IGNORANT.

Notwithstanding the foregoing facts are known to some Quack Doctors and Nostrum Makers, yet, regardless of the life and health of others, there are those among them who will even perjure themselves, contra dicting giving mercury to their patients or that it is contained in their nostrums so that the "usual fee" may be obtained for professedly curing, or "the dollar" or "fraction of it" may be obtained for the Nostrum. It is thus that many are deceived also, and uselessly spend large amounts for experiments with quackery.

DR. L. DIX'S

charges are very moderate. Communications sacredly confidential, and all may rely on him with the strictest secrecy and confidence, whatever may be the disease, condition or situation of any one, married or single.

TO THE LADIES. The celebrated DR. L. DIX particularly invites all ladies who need a Medical or Surgical adviser, to call at his rooms, No. 21 Endicott Street, Boston, Mass., which they will find arranged for their special accommodation.

His medicines are prepared with the express purpose of removing all diseases, such as debility, weakness, unnatural suppressions, enlargements of the womb, also, all discharges which flow from a morbid state of the blood. CAREY'S

CATHARTIC CANDIES

A SAFE, RELIABLE AND

THOROUGH FAMILY PHYSIC

NEVER, since the dawn of civilization, has there been recorded such an improvement in medical science as that inaugurated by the discovery of

CAREY'S CATHARTIC CANDIES.

The days of disgusting and dangerous pills, made of mercury and aloes, of nauseous salts and senna, of sick-jalap and rhubarb powders, are now numbered; a new era opens up; the medicinal properties of the art and most expensive drugs have been, by a new known only to Doctor Carey, chemically extracted from their useless particles, every vestige of smell and taste removed, and made into the form of delicious candies. There is no longer a necessity for parents forcing them selves or their children to swallow and strangle with loathsome-tasting physic.

CAREY'S CATHARTIC CANDIES

Have valuable medical properties that no pills or powder ever can possess. They can be given to those with the most delicate stomachs, without the slightest knowledge that they are taking physic; they are not to be swallowed whole, being the same in the centre that they are on the outside; place one in the mouth before retiring for the night, allow it to dissolve slowly away. Its taste will be found delicious, while there are a variety of flavors to suit every palate. For all diseases originating in the Stomach, the Bowels, the Liver, or the Kidneys, there has never been a medicine in existence that could equal them. They are guaranteed not to contain a single particle of Mercury or other mineral or corrosive substance, and can be given to the weakest infant with perfect safety. Their penetrating properties cleanse and invigorate every portion of the human body, correcting its diseased action and restoring its health, strength and vigor. Their effect upon the blood is to purify it from all unhealthy humors, and to infuse into it a new life and richness that will cause the oldest and most aggravated complaints to speedily and permanently disappear. Subjoined is the certificate of the celebrated chemist, Mr. V. S. HULTON, the highest authority in the United States, who has carefully examined and thoroughly tested the properties and value of the Candies. Hear what he says regarding them:

New York, Jan. 31, 1862

Mr. GEO. C. BASCLAY,

Proprietor of Carey's Cathartic Candies:

DEAR SIR.—I have analyzed and tested critically your Carey's Cathartic Candies, which I hereby certify to be a safe and very efficacious physic. They do not contain any mineral or corrosive substance, and may be administered to invalids or children without fear. I consider them to be a very important discovery, and one which is of the greatest value to the community at large.

I am, &c.,

V. S. HULTON, Analytical Chemist.

SICKLY FEMALES

Should lose no time in trying a few doses of this regulating and removing remedy; whatever may be their complaint, it can be taken with safety in all periodical and other disorganizations, its effect is all but miraculous.

UNREFUTED PROOF.

The testimony of Nations is unanimously borne to the health-giving virtues of his noble remedy, and certificates in every living language bear witness to the undeniableness of their INTRINSIC WORTH.

CAREY'S CATHARTIC CANDIES CURE

Asthma, Dropsy, Inward Weakness,

Bowel Complaints, Debility, Liver Complaints,

Coughs, Fever and Ague, Lowness of Spirits,
